## The Farmer's Wife

Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive processes which are almost exactly like the churning of butter. If it is not apparent then that if the stomach-churn is foul it makes foul all which is put into it.

The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every tainting or corrupting element. In this way it cures blotches, pimples, eruptions, scurfiness, swellings, sores, or open cutting ulcers and all humors or diseases arising from bad blood.

If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizziness, yawning or distress in stomach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any combination of them, indicate that you are suffering from biliousness, torpid or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant derangements.

The best remedy known to medical science for all the above ailments is Dr. Pierce's Golden Medical Discovery. It is a purely vegetable remedy, and is the only one that will cure all the above ailments. It is a purely vegetable remedy, and is the only one that will cure all the above ailments. It is a purely vegetable remedy, and is the only one that will cure all the above ailments.

**Remedy for CATARRH**

## WIFE LEADS RAID.

Mrs. McMillen, wife of Magistrate A. W. McMillen, of Pittsburgh, Pa., early yesterday morning led the police in a raid on another woman's home and caught her husband there. Yesterday afternoon she appeared against him in court and had him held on a serious charge. Yesterday evening she announced that she would file suit for divorce today.

Mrs. McMillen and her husband gained notoriety a few months ago, when State Representative L. B. Cook was caught in company with Mrs. McMillen and was seriously attacked by her husband. McMillen has sued his wife for divorce and has asked Cook for alienation of his wife's affections.

Since that affair Mrs. McMillen, who has always declared her innocence, has been trailing her husband with detectives. At 2 o'clock yesterday morning she appeared at police headquarters with a private detective and asked that the house of Mrs. M. E. Ewing be raided. McMillen was found in bed asleep. He was pulled out by the hair by his athletic wife, who turned him over to the police. He was held for court under \$1,000 bail, which he has been unable to obtain.

## RAID ON DISTILLERY.

Revenue Agents Knox and Hansberger early yesterday morning made a sensational raid on the bonded distillery of S. D. Shelton, located about fifteen miles from Danville. Shelton was placed under arrest on the charge of removing spirits on which tax had not been paid, and W. E. Ramsey, the storekeeper and gauger, for collusion to defraud the government.

The officers concealed themselves near the place and surprised their men carrying the whisky and placing it in stamped barrels in the retail department. In a scuffle with them the officers were drenched with whisky.

The Federal grand jury, which convened at Danville today, will begin an extensive investigation of alleged frauds by the distillers and government employees. The records of the saloonkeepers in Danville, Lynchburg and Roanoke, and the books of the transportation companies will be examined, with a view of showing that more whisky has been sold than on which tax had been paid.

## LINGERING COLD.

Withstood Other Treatment But Quickly Cured by Chamberlain's Cough Remedy.  
"Last winter I caught a very severe cold which lingered for weeks," says J. U. Quahar, of Zephyr, Ontario. "My cough was very dry and harsh. The local dealer recommended Chamberlain's Cough Remedy and guaranteed it, so I gave it a trial. One small bottle of it cured me. I believe Chamberlain's Cough Remedy to be the best I have ever used." This remedy is for sale by Gibson & Timberman and W. F. Creighton & Co.

## A Hard Debt to Pay

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Bad lungs were seriously affected that death seemed imminent when I commenced taking New Discovery. The continuous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equalled New Discovery for coughs, colds and all throat and lung complaints, guaranteed by all druggists. 50c and \$1.00 trial bottle free.

## OLD WOMAN TORTURED.

Burglars on Friday night broke into the residence of Mrs. Stella Mauthner, an aged woman, who lives alone near Perinton, N. Y., and subjected her to terrible tortures in an effort to force her to reveal her savings. She was discovered Sunday by neighbors. She is not expected to recover. Two men forced an entrance to her house at midnight. They seized the aged woman, bound her to a chair and held lighted newspapers close to her eyes, allowing the flames to burn her hands and arms. Then they ransacked the house, and finding only \$4, they vented their rage by beating the woman and kicking her into insensibility.

A tickling cough, from any cause, is quickly stopped by Dr. Snop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Snop tells mothers everywhere to give it with hesitation even to very young babies. The wholesome green laves and tender stems of a lung-healing mountain shrub, furnish the curative properties to Dr. Snop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a genuine plant extract, that helps to heal acting lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Demand Dr. Snop's, Take no other. Sold by E. S. Leadbeater & Sons.

## FOR OVER SIXTY YEARS.

AN OLD AND WELL-TRIED REMEDY—Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

Guaranteed under the food and drugs act June 30th, 1906. Serial number 1268.

## FEDERATION OF LABOR

A much speech-making, the two, seventh annual convention of the American Federation of Labor was opened at the Jamestown Exposition yesterday. President Samuel Gompers calling the convention to order shortly before 11 o'clock.

The first speaker of the day was Executive President Harry St. George Tucker, introduced by Mr. Gompers. The mayors of Norfolk and Newport News spoke after him, and the last speaker to deliver words of welcome before the convention was Governor Claude A. Swanson, of Virginia.

Gov. Swanson spoke of the president and secretary of the Federation as patriotic representatives of the people, and gave unions credit for making it possible for the children of the laborer to go to school instead of work in the factory, and also for the shortening of the hours of labor.

President Gompers himself responded to these addresses of welcome. Taking figure from a recent speech of Admiral Evans, Gompers declared that if there is to be a fight between capital and labor labor would be there in either event.

Victor L. Berger, the socialist member of the convention from Milwaukee, declared yesterday that he would renew the fight against Gompers for president, but admitted that he did not hope to win yet.
